"Civisup"

Office of the Food Controller and Director of Civil Supplies in Mysore.

Bangalore, Dated 24th Sept. 1919.

From

K. MATTHAN, Esq., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to state that having regard to the low state of stocks of rice in the Mysore State, the Central Food Supplies Committee at its meeting held on the 15th instant, resolved "that the Food Controller may make arrangements to import 1,000 tons of rice from Bombay."

2. Last month the Director of Civil Supplies, Bombay, informed me that he had certain excess stocks of rice, which he was prepared to allow to import to other provinces under certain conditions. The qualities available were Cargo rice, broken rice and Bengal boiled rice. The cost of getting broken and Bengal boiled rice from Bombay is found to be prohibitive. Cargo rice, which is inferior to big mills specials, can it appears be placed in the market between 5 and 5¼ seers a rupee. This cannot compete with the Burma rice big mills which we are importing direct from Rangoon. But if some quantity of this can be imported it will be of great help in places where supplies of Burma rice are insufficient. I obtained a sample of the Cargo rice and issued it to various

various merchants in the City.

3. Messrs. Appana Ramachandra Rao and Co. have offered to take up 1,000 tons and sell it at a profit not exceeding 4 annas per bag for wholesale transactions and 12 annas per bag for retail transactions. Several other local merchants who saw the sample and said that they would put in their applications have not done so. The only two who have applied are Mr. S. Devappa, Old Taragupet, Bangalore City and Mr. R. Sarabanna (of Dodballapur) now doing business in the Bangalore City, who have applied for 100 and 50 tons respectively. As the rice is inferior to what we are importing direct from Rangoon I did not consider it advisable that Government should import any of this rice. I have accordingly requested the Director of Civil Supplies, Bombay, to allow the following firms to import the quantities noted against them.

(1) Messrs. Appana Ramachandra Rao & Co.	200 tons
(2) Mr. S. Devappa	100 tons
(3) Mr. R. Sarabanna	50 tons.

These firms will sell subject to my control both as regards prices and as regards persons to whom and the places at which the rice is to be sold.

(4) The Director of Civil Supplies, Bombay has intimated that about 15,000 bags of this rice will be available. If no other firms wish to take up the balance remaining, it will be offered to Messrs. Appana Ramachandra Rao & Co., whose application is for permission to import one thousand tons.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director.
